### A must read testimony!

Moira Ross from Palm Tyre Service, Maitland (and their branches in Strand and George) have been faithfully supporting the Who is Jesus? DVD Project over the past year and she recommends that each and every Christian owned business obtain the tract DVD's, posters and flyers to reach their community. Moira has decorated her business premises with Who is Jesus? posters and she says that many customers are very curious to find out more. This is when she hands them a free tract DVD. She also gives a free tract DVD to every one of her customers, and even though there are some who are not interested, many are very excited to receive the DVD. Testimonies have come back from customers that they have used the tract DVD to reach out to their families – proving that the message reaches even further. Many have been witnessed to and there have even been some who have asked Moira for prayer and she believes that this ministry is definitely working.
